AWARD

The issue referred for adjudication by Government as per G. O. (Rt.) No. 647/77/LBR dated 1-6-1977 is the following:—

"Dismissal of Sri A. Mohammed Kunju, Salesman".

The workman Sri A. Mohammed Kunju has filed a claim statement raising the following contentions :— He was a salesman under the Management from 10-8-1966 to 31-5-1971. The Management made various baseless charges against him and suspended him, pending enquiry. Later he was dismissed from service without a proper enquiry. He was not given an opportunity to cross-examine the witnesses or to examine the witness on his behalf. In these circumstances, the dismissal has to be held to be improper and he may be ordered to be reinstated with back wages.

A written statement was filed by the management alleging that the workman had committed serious misconduct, that charges were framed against him and he was dismissed from service after a proper enquiry. Subsequently the management remained ex parte. The workman was examined as W. W. 1. The workman has given evidence in support of his contentions. The evidence stands uncontradicted. I find on his evidence that the workman has been dismissed from service improperly.

In the result, I pass an award directing the management to reinstate Sri Mohammed Kunju in service with all back wages and attendant benefits as if he had continued in service. Parties to bear their costs in the circumstances of the case.

This award shall come into force on the expiry of 30 days from the date of publication in the Government Gazette.

Dictated to the Confidential Assistant, transcribed and typed out by him, corrected by me on this the 31st day of July, 1981.

AWARD

This is an Industrial dispute referred to this Tribunal for arbitration by Government of Kerala on the basis of an agreement between the parties. The only issue referred is the following:-

"Bonus for the year 1977- 78"

The parties 1, 4 and 6 together has filed a joint claim statement in which they say that this is a textile mill which has made enormous profit during 1977-78 because of the huge demand for the yarn manufactured by it. They demand bonus ranging between 20 to 25% for this year. The management offered only 8.33%. Conciliation settlement did not yield any result and the parties agreed to refer this for arbitration. They say that they are entitled to 20%. Party No.3 has filed a separate statement. He avers that the mill has made enormous profit during this year and during one of the conferences the management agreed to pay 17 % as bonus. And they said that they want permission from the Bangalore office to settle this finally. So the management at that time suggested that they will pay 17% as advance and unions agreed to this. But even at that time no union was prepared to accept anything less than 20% as bonus. During these delebe-rations the management had even certain figures and this 17% was based on these figures. They dispute the correctness of the figures in the profit and less account and Balance sheet. So they claim bonus at 20%.

Party No.5 has filed a statement almost on the same lines. Parties 7 and 8 have filed statments almost on the same line.

In the reply statement filed by the management they say that since there was no settlement regarding the bonus payable for 1977-78 there was an intrim settlement on 5-7-1978 agreeing to settle this question on the basis of the audited balance sheet and profit and loss account for the year and as advance they paid 17% of the total earnings. They further agreed that the bonus due under law will be adjusted from this and the balance, if any, will be recovered from the wages/salaries of the employees in monthly instalments. The parties could not arrive at a settlement during the subsequent discussions.

The management has been paying bonus on the basis of the provisions of Bonus Act, 1965. During the year 1977-78 their loss was Rs. 3,32,890.98. So there was no allocable surplus. Hence there is liability only to pay the minimum bonus. They have produced the balance sheets and profit and loss accounts for the years 1974-75 to 1977-78 and the management adds that they are bound to pay only the minimum. There is no oral evidence adduced. The management has produced balance sheets referred to above and the true copy of the settlement dated 5-9-1978.

The Union's first contention is that this 17% was paid after referring to the figures in the profit and loss account and balance sheet for the year. The management says that this is paid on the basis of a settle nent dated 5-9-1978. Now the first clause itself very clearly shows that there was no discussion at all regarding bonus payable based on any of the figures made available by the management. As a temporary measure they paid 17% as advance and the issue was left open for further discussion. So there is no force in the contention that they received 17% on the basis of some figures furnished by the management.

So what should be the bonus for the year 1977-78 is a live issue which had not been discussed on the basis of the figures in this agreement. The balance sheet for all the years from 1974-75 to 1977-78 are filed. The parties 3,7 and 8 have filed notes of arguments. It is avered in the notes that the final profit and loss account and balance sheet is helpful to the Unions They point out that other mills have made good profits. They do not challenge the figures furnished in the profit and loss account and balance sheet. They do not have a case that the management has deliberately depressed profits just to deny legitimate bonus to the employees. No case that the material facts have been suppressed for this purpose. In view of this there is no alternative but to accept the figures shown in the balance sheet. If that is accepted they have incurred loss and that amounts to 3,32,890.98. In view of this there is no allocable surplus. Hence the workers/employees are entitled to only minimum bonus of 8.33% for the year 1977-78.

I pass this arbitration award as stated above.

R. K. VENU NAYAR,
Industrial Tribunal, Calicut (Arbitrator).

GOVERNMENT OF KERALA

Abstract

RULES - KERALA TREASURY CODE VOLUME II—AMENDMENT TO RULE 57 (4) APPENDIX 3

FINANCE (S. L.) DEPARTMENT

G. O. (P) No. 568/81/Fin. Dated, Trivandrum, 1st September 1981.

Read—Letter No. 113-5452/81 dated 11-4-1981 from the Director of Treasuries, Trivandrum.

NOTIFICATION

S. R. O. No. 1074/81.—In exercise of the powers conferred by clause (2) of Article 283 of the Constitution of India, the Governor of Kerala hereby makes the following rules further to amend the Kerala Treasury Rules, namely:—

Rules

C. S. No. 11/81/*Fin. Dated* 1*st September* 1981.

1. (i) These rules may be called the Kerala Treasury (Amendment) Rules, 1981.

(ii) They shall come into force at once.

2. In the Kerala Treasury Rules, in Appendix 3 for clause (4) of Rule 57, the following shall be substituted, namely:—

"(4) The term of such deposits shall not be for a period of less than one year".

By order of the Governor,

JOSEPHINE ANNIE CLARANCE,

Additional Secretary.

Explanatory Note

(This does not form part of the amendment, but is intended to indicate its general purport).

As per Rule 57 (4) of Appendix 3 of Kerala Treasury Code Volume II, the term of fixed deposit will be for one year, two years or three years and above. This creates a doubt as to whether a deposit for 20 months or 25 months is authorised to be opened under the Treasury Savings Bank Rules. The term deposits are opened in Treasuries for any period of choice of intending depositors. But deposits for less than one year is not allowed to be opened as the lowest term under Rule 57 (4) is one year. Hence the Director of Treasuries has proposed this amendment so that there may not be any doubt as to the term for which a fixed deposit can be opened under this rules.
